

IMPORTANT OF EDUCATION

“Education is the passport to the future for tomorrow belongs to those who prepare for it today.”

What is Education?

Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. Educational methods include teaching, training, storytelling, discussion and direct research. A right to education has been recognized by some governments and the United Nations.

What's the important of 'Education'?

Proper and good education is very important for all of us. It facilitates quality learning all through the life among people of any age group, cast, creed, religion and region. It is the process of achieving knowledge, values, skills, beliefs and moral habit.

How it help 'Us'?

Education gives us a knowledge of the world around us and changes it into something

better. It develops in us a perspective of looking at life. It helps us build opinions and have point of view on things in life. Education makes us capable of interpreting things, among other things.

How it help in 'building of nation'?

A good education system develops the mind of a child towards progress, nationalism and social development ... The wholesome development of a child or a person is very important for nation building and progress. As a nation, we need to create "educated and creative personalities". Education is a vital component for a nation. The education level of a country decides whether a country is developed or not because only the educated population can lead to better capital formation. Or education transforms the human being into an intelligent honest citizen towards its country. If the people of the country is not educated, then how will they earn their living? how will they own their business? In order to avoid these problem, so, it is recommended everyone to study. So, education play a very important role, if the people of one nation is not educated then people of another nation will not do any kind

of business with them and it will lead to loss of nation.

So, education help in building of nation.

“The roots of education are bitter but the fruit is sweet”

Quality education is the key to building a strong nation.
